## JUDICIAL BRANCH BUDGET UPDATE

On Monday, July 11, 2005, the Governor signed the 2005-2006 state budget (SB 77 (Committee on Budget and Fiscal Review), Stats. 2005, ch. 38). The budget sent to the Governor included the following for the judicial branch:

- Approved \$130.7 million in new funding for the trial courts pursuant to the State Appropriations Limit (SAL) adjustment formula.
- Approved \$92.6 million for the budget year continuation of Provision 8 funding provided to the trial courts in the current year and additional current year deficiency monies that are still pending with the Legislature.
- Restored \$55 million of annual baseline trial court funding, which had been reduced in fiscal year 2004-2005.
- Approved budget bill language that earmarks up to \$5 million for funding Self-Help Centers. Approved the undesignated fees compromise negotiated be-

tween the AOC and the California State Association of Counties for the purpose of protecting the trial courts from a \$31 million reduction. (AB 139 (Committee on Budget), Stats. 2005, ch. 74)

- Approved the Uniform Civil Fee (UCF) proposal as part of the budget to take effect January 1, 2006 and extended the court security fee surcharge until December 31, 2005. (AB 145 (Committee on Budget), Stats. 2005, ch. 75)
- Approved restoration of \$5.5 million one-time reduction that had been reduced in 2004-2005 and restored an additional \$2.2 million to the Supreme Court, Courts of Appeal, and the AOC that had been reduced by the Conference Committee.

As part of the enactment of the budget, the Governor vetoed \$57.5 million from General Fund transfers to the Trial Court Trust Fund (TCTF). Because funding to the trial courts

## AB 519 (LENO) PROVIDES A REMEDY FOR "LEGAL ORPHAN" PROBLEM

Assembly Bill 519, authored by Assembly Member Mark Leno, is co-sponsored by the Judicial Council and the Children's Law Center of Los Angeles to expand the discretion of the juvenile dependency court in two specified circumstances. First, the bill authorizes the court to reinstate parental rights that had previously been terminated where a

number of conditions have been met. Reinstatement would be authorized only if:

- The reinstatement petition is filed by the child;
- At least three years have elapsed since parental rights were terminated, and the child has not been adopted or all parties agree that the child is no longer likely to be adopted; and
- The court finds that the child is no longer likely to be adopted, and reinstatement is in the child's best interest.

Thus the intent of the bill is to allow the court to reinstate parental rights in order to avoid the creation of a "legal orphan," a status which can arise when parental rights are terminated, but the planned adoption cannot

## UPDATE ON JUDICIAL COUNCIL-SPONSORED LEGISLATION

### New Judgeships/SJO Conversions

Senate Bill 56 (Dunn), the Judicial Council-sponsored bill that proposes the creation of new judgeships and the conversion of certain eligible subordinate judicial officers, passed the Assembly Judiciary Committee on July 5. As they had done when the bill was in the Senate, presiding judges and executive officers of trial courts, bar association leadership, and Bench-Bar Coalition member organizations again sent letters of support to legislators. The bill is anticipated to be amended in the Assembly to specify by court the new judgeships and eligible SJO conversions.

For more information about SB 56, contact Eraina Ortega at [eraina.ortega@jud.ca.gov](mailto:eraina.ortega@jud.ca.gov).

### Court Facilities Bond

Senate Bill 395 (Escutia), which states the intent of the Legislature to enact the California Court Facilities Bond Act of 2006 to acquire, rehabilitate, construct, and finance court facilities, passed the Assembly on July 5. The bill was amended to omit the amount of the proposed bond. If approved by the Legislature and the Governor, the bond would be placed on the ballot in an upcoming statewide election.

For more information on SB 395, contact Eraina Ortega

at [eraina.ortega@jud.ca.gov](mailto:eraina.ortega@jud.ca.gov).

### Uniform Civil Fee Proposal

In April 2004, the Court Fees Working Group (CFWG) made unanimous recommendations for a statewide uniform civil fee structure. The Uniform Civil Fee (UCF) proposal will streamline and vastly simplify the civil fee structure, provide for uniformity across the state, and address the funding shortfall under the current fee structure.

The UCF was approved as part of the judicial branch budget and is included in budget trailer bill AB 145. The UCF will take effect on January 1, 2006 and the enhanced security fee that was set to expire on June 30, 2005 was extended until December 31, 2005.

For more information on the UCF, contact Eraina Ortega at [eraina.ortega@jud.ca.gov](mailto:eraina.ortega@jud.ca.gov).

### Judges' Retirement

Senate Bill 528 (Ackerman and Dunn), as introduced on February 18, 2005, declares the Legislature's intent to evaluate the impact of trial court unification on the judges' retirement systems and the resulting increase in judges' ages at the start of their judicial service. This bill, co-sponsored with the

was not reduced, this action will have the effect of reducing reserves in the TCTF. This limits the resources available to address unanticipated shortfalls in various areas such as court appointed counsel, technology projects, and cash flow issues in years when the budget is late.

The Legislature augmented the budget by \$29.5 million associated with projected annual revenues that would support aspects of the statewide uniform fee structure. The Governor also reduced the branch's budget by the amount of all the anticipated increases, except those related to the increased facilities fee. The UCF requires that each paid filing fee make a distribution to the Equal Access Fund; the set-aside for law libraries, dispute resolution, and children's waiting rooms; and information technology. The anticipated revenues were already obligated to pay for those items. Therefore, the General Fund reductions amount to an unallocated reduction to the trial courts in the amount of \$9.8 million in 2005-2006, and an ongoing reduction in 2006-2007 in the amount of \$19.6 million.

After a series of meetings with the Department of Finance, the AOC reached agreements on the following changes to address the long-term effects of the budget vetoes:

1. Increase the appropriation authority in the TCTF to allow the Judicial Council to allocate funding from new filing fee and civil assessment revenues that are deposited in the TCTF.
2. Provide a General Fund transfer in 2006-07 to reverse the reduction in funding that is necessary for the set aside for law libraries, dispute resolution, and children's waiting rooms and the new funding for the Equal Access Fund that were approved as part of the UCF.
3. Allow the judicial branch to submit a Budget Change Proposal for a base adjustment in 2006-07 to address the long-term technology infrastructure needs in the branch. ■

**AB 1542 (Parra), as amended May 4, 2005. Crimes by veterans: sentencing.**

Expands existing law governing the court's sentencing authority applicable to combat veterans of Vietnam who have substance abuse or psychological problems related to that service and are convicted of a felony to apply to a combat veteran of any war who has been convicted of a felony or misdemeanor, and suffers from post traumatic stress disorder, substance abuse, or psychological or emotional problems as a result of that service.

**Status:** Senate Appropriations Committee; set for hearing August 15, 2005.

**JC Position:** No position.

**AB 1551 (Runner), as amended May 18, 2005. Sexual predators.**

Strengthens the sentencing scheme for sexual assault on children.

**Notes:** The Judicial Council opposed AB 1551 unless amended to strike the provision eliminating the court's authority under Penal Code section 1385 to dismiss an action in the furtherance of justice. The council has long advocated that, while the discretion is not absolute, dismissal of an action in the furtherance of justice is within the court's "exclusive discretion." The May 18 version of the bill deleted this provision, and the council has withdrawn its opposition and is now neutral on the bill.

The other provision in the bill would authorize the juvenile court to issue protective orders for parents, guardians, and caregivers of children under its jurisdiction even where the court is not issuing an order to protect the child at the same time. This change is designed to provide the court with more flexibility and efficiency in order to address the needs of a family that is before it.

## PROBATE

**SB 390 (Bowen), as amended June 14, 2005. Probate assignments: cash advances.**

Existing law provides for the regulation of the distribution of an estate. This bill would regulate the assignment of a beneficiary's entire or partial interest in an estate in consideration for a cash advance or any other consideration, as specified. Among other things, the bill would require the agreement to be filed with the court, would require specified disclosures with regard to costs and fees, and would prohibit an assignment agreement form containing certain provisions, including, but not limited to, a binding arbitration clause. The bill would further authorize the court to modify or refuse to order that assignment under specified circumstances, and would allow for specified damages upon a willful violation of the above-described provisions.

## JUDICIAL DISQUALIFICATION: AB 1322 (EVANS)

Assembly Member Noreen Evans

Assembly Bill 1322, which the council is co-sponsoring with the California Judges Association, was introduced in response to a recent decision in 2004 by the Court of Appeal in *Hartford Casualty Insurance Co. v. Superior Court* that took an unexpectedly broad interpretation of the disqualification provisions, which could severely hamper a trial court's ability to manage its civil litigation calendar.

Two years before the *Hartford* case, Assembly Member Hannah-Beth Jackson authored AB 2504, legislation that amended the Code of Civil Procedure to require the disqualification of a judge who has a current arrangement concerning prospective employment or other compensated service as a dispute resolution neutral, or is participating in or has participated in, within the previous two years, discussions regarding that prospective employment or service. The original focus of the Legislature in enacting AB 2504 was on the potential appearance of bias when a judge who has a prospective arrangement for employment or has discussed such an arrangement with an alternative dispute resolution (ADR) provider can steer cases to that provider.

The *Hartford* court also determined that disqualification was triggered when the judge referred the parties in the case to mediation but had no involvement in the identification or selection of the mediator. Since, under Judicial Council case management rules, judges are required to consider what ADR process might be appropriate for a case, this raises a concern that disqualification will be triggered in virtually every civil case.

The *Hartford* court further noted the likelihood that many judges have or will receive unsolicited, superficial overtures from ADR firms that may require disclosure, disqualification, or the setting aside of past decisions even though the judges indicated to such firms that they were not interested. This may also disqualify most available assigned judges from handling civil matters, as most judges who have retired have likely received such overtures.

AB 1322 seeks to eliminate the type of mischief identified by the *Hartford* court and avoid wholesale disqualifications of civil judges by amending the statute in order to more narrowly tailor the disclosure and disqualification criteria to those cases in which the potential for conflict is more readily apparent, consistent with the intent of the underlying legislation.

AB 1322 has passed the Assembly and is currently pending on the Senate floor. For more information, contact Dan Pone at [daniel.pone@jud.ca.gov](mailto:daniel.pone@jud.ca.gov) ■

## IN MEMORIAM: ASSEMBLY MEMBER MIKE GORDON (1957-2005)

Assembly Member Mike Gordon, a freshman legislator and former mayor of El Segundo, died on June 25, 2005, due to complications from a brain tumor. He was 47 years old.

Gordon served the 53rd Assembly District, which includes Torrance, Redondo Beach, Manhattan Beach and Lomita.

As mayor of El Segundo, Gordon focused on increasing funding for education, improving public safety and revitalizing the city's downtown. He stepped down in April of 2004 to run for a seat in the California Assembly.

After being elected in November 2004, Speaker Fabian Núñez appointed Gordon as chair of the Assembly Committee on Veteran Affairs and chair of the Select Committee on Aerospace. He also served on the Assembly Appropriations, Health, and Natural Resources committees, the Select Committee on the Los Angeles Health Care Crisis, and as the Assembly's representative to the Milton Marks Little Hoover Commission.

Gordon was raised in La Mirada, California, and graduated in 1979 from California State, Fullerton, with a degree in political science. He resided in El Segundo, and is survived by his wife of 13 years, Denise, and his four children.

Assembly Member Gordon's seat will be filled in a special election scheduled by Governor Arnold Schwarzenegger.

*The Capitol Connection* extends our condolences to Assembly Member Gordon's family, friends, and staff. ■
