12.0 DISABLED VETERAN BUSINESS ENTERPRISE PARTICIPATION GOALS

Qualification for the DVBE incentive is not mandatory. Failure to qualify for the DVBE incentive will not render a proposal non-responsive.

Eligibility for and application of the DVBE incentive is governed by the Judicial Council’s DVBE Rules and Procedures. Proposer will receive a DVBE incentive if, in the Judicial Council’s sole determination, Proposer has met all applicable requirements. If Proposer receives the DVBE incentive, a number of points will be added to the score assigned to Proposer’s proposal. The number of points that will be added is specified in Section 9.0 above.

To receive the DVBE incentive, at least 3% of the contract goods and/or services must be provided by a DVBE performing a commercially useful function. Or, for solicitations of non-IT goods and IT goods and services, Proposer may have an approved Business Utilization Plan (“BUP”) on file with the California Department of General Services (“DGS”).

If Proposer wishes to seek the DVBE incentive:

1. Proposer must complete and submit with its proposal the Bidder Declaration (**Attachment 8**). Proposer must submit with the Bidder Declaration all materials required in the Bidder Declaration.
2. Proposer must submit with its proposal a DVBE Declaration (**Attachment 9**) completed and signed by each DVBE that will provide goods and/or services in connection with the contract. If Proposer is itself a DVBE, it must complete and sign the DVBE Declaration. If Proposer will use DVBE subcontractors, each DVBE subcontractor must complete and sign a

DVBE Declaration. **NOTE:** The DVBE Declaration is not required if Proposer will qualify for the DVBE incentive using a BUP on file with DGS.

Failure to complete and submit these forms as required will result in Proposer not receiving the DVBE incentive. In addition, the Judicial Council may request additional written clarifying information. Failure to provide this information as requested will result in Proposer not receiving the DVBE incentive.

If this solicitation is for IT goods and services, the application of the DVBE incentive may be affected by application of the small business preference. For additional information, see the Judicial Council's Small Business Preference Procedures for the Procurement of Information Technology Goods and Services.

If Proposer receives the DVBE incentive: (i) Proposer will be required to complete a post-contract DVBE certification if DVBE subcontractors are used; (ii) Proposer must use any DVBE subcontractor(s) identified in its proposal unless the Judicial Council approves in writing the substitution of another DVBE; and (iii) failure to meet the DVBE commitment set forth in its proposal will constitute a breach of contract.

If using DVBE subcontractors, the Proposer must complete and return to the Judicial Council a copy of the post-contract certification form (<https://www.courts.ca.gov/documents/JBCM-Post-Contract-Certification-Form.docx>), promptly upon completion of the awarded contract, and by no later than the date of submission of Proposer's final invoice to the Judicial Council. If the Proposer fails to do so, the Judicial Council will withhold \$10,000 from the final payment, or withhold the full payment if it is less than \$10,000, until the Proposer submits a complete and accurate post-contract certification form.

When a Proposer fails to comply with the post-contract certification requirement in this section and a payment withhold is applied to a contract, the Judicial Council shall allow the Proposer to cure the deficiency after written notice. Notwithstanding the foregoing or any other law, if after at least 15 calendar days, but no more than 30 calendar days, from the date of the written notice the Proposer refuses to comply with the certification requirements, the Judicial Council shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000.

FRAUDULENT MISREPRETATION IN CONNECTION WITH THE DVBE INCENTIVE IS A MISDEMEANOR AND IS PUNISHABLE BY IMPRISONMENT OR FINE, AND VIOLATORS ARE LIABLE FOR CIVIL PENALTIES. SEE MVC 999.9.

13.0 PROTESTS

RFP Title: Off-Site Data Storage
